SMART FURNITURE AT THE SERVICE OF A WORLD IN MOTION

PREFACE
CHRISTA ALDERS
CEO FLEXFURN

At Flexfurn, we believe that spaces are more than physical environments, they tell stories, bring people together, and create the stage for inspiration, creativity, and connection. For 2026, our focus remains unchanged: creating products where design, durability, and flexibility go hand in hand.

Our mission is clear: to make it easy to transform any space quickly, stylishly, and efficiently. We do this not only through flexible and innovative furniture design but also by creating solutions that make emotion tangible. Furniture should do more than fill a room, it should help shape it.

We are proud to be a trusted partner for those who place experience at the heart of what they do: from event planners and rental companies to hospitality brands and businesses. With modular, stackable, and circular furniture, we empower our clients to create unique experiences while contributing to a more durable future.

For us, 2026 is a year of renewal, collaboration, and impact. We continue to invest in smart design, durable ways of transportation, and long-term partnerships. Because at Flexfurn, flexibility is not just a trend, it is a philosophy that runs through everything we create and every relationship we build.

We invite you to explore this new catalog and discover how we can help bring your vision to life.

Welcome to Flexfurn. Welcome to a world of possibilities.

*Warm regards,
Christa Alders
CEO, Flexfurn*

SMART FURNITURE AT THE SERVICE OF **A WORLD IN MOTION.**

Never standing still isn't just a motto, it's who we are. For over 25 years, Flexfurn has been driven by a clear ambition: to inspire the world with smart, stylish, and sustainable furniture solutions that elevate every space.

We design for a world in motion, where spaces must adapt, events transform overnight, and experience is everything. From event organizers to rental companies, breweries, schools, training centers, and conference venues, we empower our partners to create environments that connect, inspire, and impress.

Our strength lies in the perfect fusion of functionality and design. We turn practical needs into elegant solutions, combining space-saving innovation with modern aesthetics, comfort with durability, and flexibility with style. What once began as functional furniture has evolved into a unique, high-end, and sustainable product line that's easy to move, fast to set up, and built to last.

Proudly rooted in Belgium, we bring craftsmanship, innovation, and passion to every piece we create. We don't just supply furniture, we help shape experiences, support efficiency, and bring visions to life.

That's how Flexfurn stands out.

That's smart furniture at the service of a world in motion.

ELEVATING SEMINAR, CONGRESS & CONFERENCE SPACES

At Flexfurn, we understand that seminar, congress, and conference environments demand more than just functional furniture, they require intelligent, adaptable solutions that support seamless event flow. Every space needs to transform quickly, efficiently, and elegantly. That's where we excel.

Our furniture collections are designed with flexibility at their core. Light-weight yet exceptionally durable, each piece can be set up, rearranged, or cleared away in moments, allowing teams to shift effortlessly between different room configurations, from plenary sessions to breakout zones, panel discussions, or networking lounges.

What sets Flexfurn apart is the complete system around our products. Thanks to our smart, space saving transport trolleys, chairs and tables can be stored compactly and moved with minimal effort. This ensures a fast and efficient setup and breakdown, even for large scale events with tight schedules. The result: fewer hands needed, reduced turnaround time, and a smoother operational workflow.

Whether your venue hosts daily seminars or multi-day international conferences, Flexfurn offers furniture that stands up to intense use while maintaining a premium, cohesive appearance. Elegant design meets logistical efficiency, helping your team deliver a flawless event experience, every time.

CREATING MEETING ROOMS THAT WORK AND IMPRESS

REATING **MEETING ROOMS** THAT WORK

Meeting rooms today need to do more than host conversations. They must support productivity, adapt to different group sizes, and reflect the professional identity of the organisation. At Flexfurn, we help businesses, venues, and event locations design meeting spaces that are both functional and visually refined.

FROM CONCEPT TO REALIZATION

Whether you start with a detailed architect's plan or just a clear vision, Flexfurn translates your ideas into practical, stylish solutions. Our team quickly grasps the desired atmosphere and recommends the right furniture combinations to bring that concept to life. With our versatile product range, we create meeting rooms that feel cohesive, comfortable, and aligned with your brand.

VERSATILE EVENT & MEETING FURNITURE

For larger meeting or seminar spaces, we offer elegant, durable collections featuring high quality materials like HPL tabletops and smartly designed cocktail or conference tables. Our furniture performs just as well in multifunctional rooms, where setups may shift from presentations to workshops or networking moments.

TAILORED MEETING ROOMS WITH STACKABLE, ERGONOMIC SEATING

Small or large, every meeting room deserves seating that combines comfort with efficiency. Our stackable chairs, including ergonomic models designed for extended use, provide exactly that. They are easy to store, quick to deploy, and deliver long-lasting comfort during full day sessions.

Tables can be customised in size, shape, and finish, ensuring a consistent and harmonious look across all rooms. From large conference tables to compact round setups or standard seminar tables, we help create maximum flexibility without compromising design.

WHY CHOOSE FLEXFURN?

At **Flexfurn**, we offer more than premium furniture, we deliver adaptable, tailor-made solutions that elevate any professional environment. Whether you're outfitting a corporate meeting suite, a training centre, or a versatile event venue, our team is ready to transform your ideas into a space that works beautifully and efficiently.

TERRACE SPACES

A terrace space has become essential today. For restaurants, it is a valuable extension of the dining experience: a place where guests can enjoy not only delicious food but also the fresh air and a relaxed, cozy atmosphere. For businesses, a terrace space offers an inspiring environment where employees and visitors can step away from the daily routine, unwind, and recharge with fresh energy.

What both applications have in common is the importance of well-designed, comfortable furniture that completes the experience. No matter how beautiful the terrace is, without comfortable, high quality furniture, ultimate relaxation and hospitality remain just out of reach.

TERRACE SPACES FOR THE HOSPITALITY INDUSTRY

A well-designed terrace is an extension of a restaurant's identity. It offers guests the opportunity to immerse themselves in a pleasant, inviting outdoor space where they can relax, socialize, and enjoy culinary delights. A stylish terrace makes a difference; it attracts guests and enhances an experience. Flexfurn understands how important this is and assists restaurants in choosing the right terrace furniture that combines aesthetics with comfort—a worthwhile investment that keeps guests coming back time and again.

TERRACE SPACES FOR THE WORKPLACE

In a business setting, a well-designed terrace also makes a difference. It offers employees a welcome change from their usual workspace and creates a place for informal meetings, creative brainstorming sessions, and pure relaxation. A terrace contributes to a healthy work culture and enhances employees' well-being. Flexfurn collaborates with companies to design these outdoor spaces, paying special attention to accessibility and comfort, so everyone, including those with mobility challenges, can enjoy the fresh air and sunshine.

FLEXFURN: YOUR PARTNER FOR COZY TERRACE SOLUTIONS

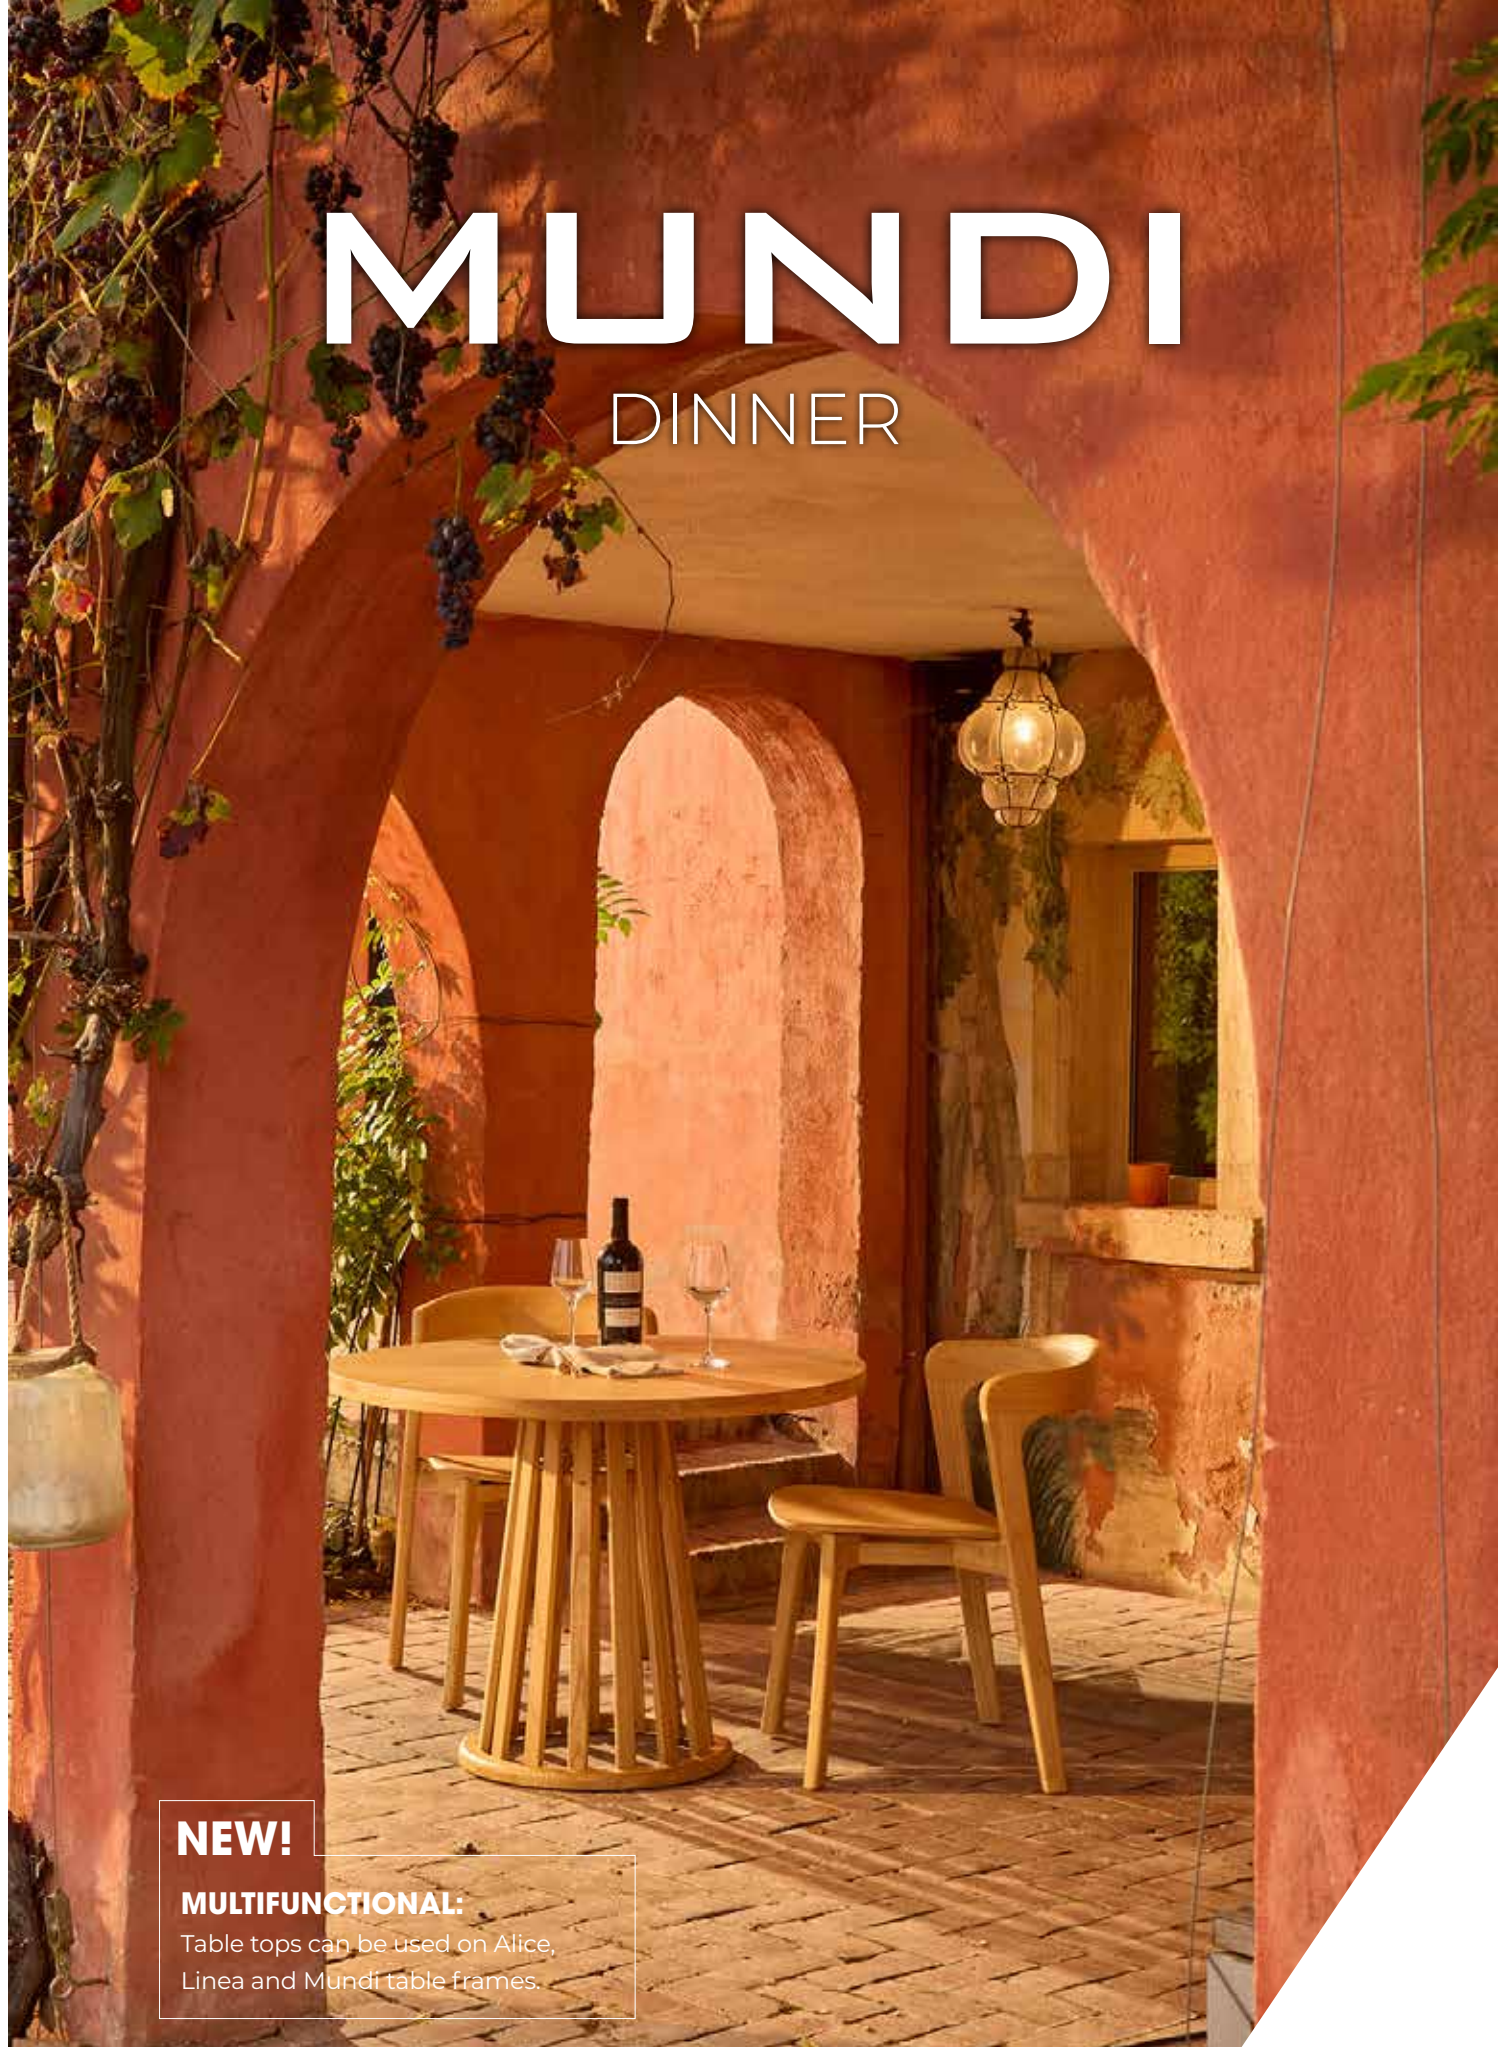

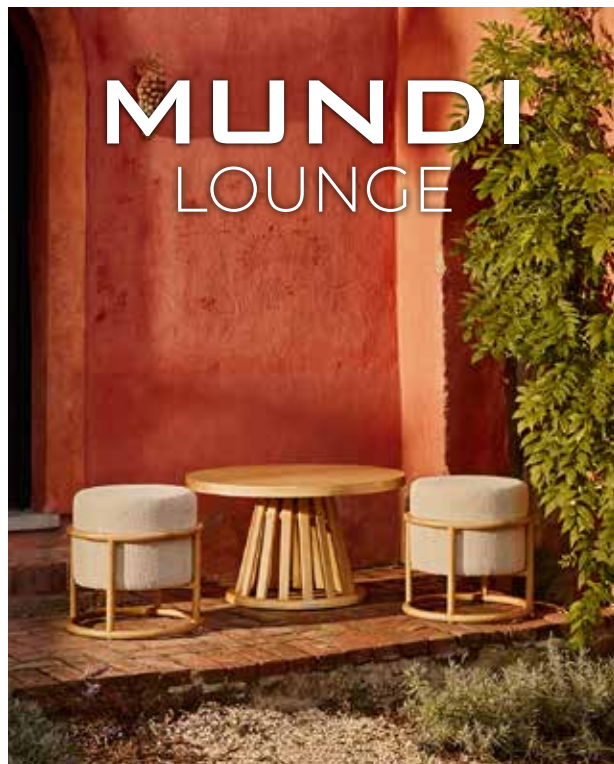

At Flexfurn, we guide our clients step-by-step. Our experts are ready to provide personal advice and offer 3D visualizations of the layout. Our project team handles the entire process, from design to completion, so you can focus on your work and organization while we ensure a beautiful end result. Flexfurn transforms your terrace space into a place where people love to stay, feel welcome, and are eager to return to time and again.

SMART FURNITURE SOLUTIONS FOR SCHOOLS & MULTIPURPOSE SPACES

Educational environments and multipurpose halls need furniture that works as hard as the people using them. From fast-paced classroom changes to community events, workshops, exams, and extracurricular activities, flexibility is key. At Flexfurn, we design furniture that supports these constant transitions with efficiency, durability, and style.

BUILT FOR DAILY CHANGE

Schools and multipurpose venues often require quick setup and reconfiguration. Our lightweight yet robust furniture is designed for exactly that. Tables and chairs can be arranged, moved, and cleared in minutes, making it easy to transform a space from a classroom into an exam hall, a lecture setup, a creative workshop, or a community gathering.

EASY STORAGE, FAST DEPLOYMENT

Thanks to our smart transport and storage carts, furniture can be stacked, transported, and stored compactly with minimal effort. This saves valuable time, and space, while reducing workload for staff. Whether you're managing daily classroom rotations or preparing for a school event, Flexfurn helps keep operations smooth and efficient.

COMFORTABLE, DURABLE & MADE TO LAST

Students, teachers, and visitors deserve furniture that feels good and performs even better. Our ergonomic chairs support long periods of concentration, while our high quality tables withstand intensive use year after year. Each product is designed with safety, comfort, and longevity in mind, essential qualities for educational and high-traffic environments.

VERSATILITY WITHOUT COMPROMISE

From large halls to small breakout rooms, our range adapts to every type of learning or activity space. Seminar tables, stackable chairs, modular seating, and multipurpose pieces offer endless configuration possibilities, all while maintaining a unified, clean aesthetic.

LINEA COLLECTION A subtle and stylish touch with the Linea collection. Table frames are crafted from aluminium for both indoor and outdoor use. The Linea collection features lightweight, stackable, aluminium table frames that functionally complement any corporate or event setting. Thanks to its sleek design, Linea adds subtle and modern touch. This trademarked collection can be used both indoors and outdoors. With the universal frame connection, one tabletop can be mounted on various frame heights without the need for screws or screwdrivers! The convenient screw system with threaded fastening ensures that the tabletop is securely attached in no time.

CRAFTING EXCELLENCE:

FLEXFURN'S DEDICATION TO DESIGN & INNOVATION

AT FLEXFURN, our commitment to design and development goes beyond the ordinary; it is a meticulous process encompassing every aspect, from the tiniest details to selecting materials and ensuring the highest quality standards. With a keen focus on our core strengths – flexibility, stackability, foldability, portability, and multifunctionality – we strive to be truly unique in our industry.

Our designers and innovators engage in a thoughtful journey, considering each element of our furniture to deliver products that meet and exceed expectations. We understand that design is not just about aesthetics; it's about enhancing functionality, ensuring durability, and providing solutions that adapt to the dynamic needs of our customers.

FLEXIBILITY is more than a feature for us; it's a philosophy ingrained in our approach. Our furniture is designed to be adaptable to various settings, catering to the diverse requirements of the event, hospitality, and project-market industries.

STACKABILITY is a hallmark of our creations, allowing for efficient storage and easy handling. Whether it's a compact storage space or the need for quick setup and breakdown, our stackable designs make a difference.

FOLDABILITY adds an extra layer of convenience to our furniture, offering solutions that are not just functional but also easily transportable. This feature aligns seamlessly with our commitment to providing furniture that is not confined to a single space but can move with you.

PORTABILITY is a key consideration in our designs. Our furniture is crafted with the understanding that it should be effortlessly transported, making it ideal for events, pop-ups, and dynamic environments where mobility is paramount.

MULTIFUNCTIONALITY is at the core of our innovative approach. Our designs are conceived to serve multiple purposes, adapting to the evolving needs of our clients. From seating arrangements that transform to accommodate different events to tables that serve both practical and aesthetic functions, we seek to redefine the possibilities of multifunctional furniture.

In our pursuit to deliver unique and innovative solutions to the industry, we continuously challenge ourselves to push boundaries and explore new horizons. This commitment to innovation is not just about keeping up with trends but setting them.

FLEXFURN is not just a furniture provider; we are partners in creating tailored solutions for the event, hospitality, and project-market industries. We take pride in our ability to understand the unique requirements of each sector, offering designs and products that elevate the overall experience.

IN CONCLUSION, FLEXFURN'S dedication to design and innovation is a testament to our commitment to excellence. As we forge ahead, we remain steadfast in our mission to pioneer the industry, delivering unparalleled solutions that redefine how people experience and interact with furniture.

FLEXIBLE EXCELLENCE

At **FLEXFURN**, we strive to go beyond standard furniture solutions. We believe in a collaborative approach with our customers, where we not only deliver products but actively engage in designing tailor-made solutions that seamlessly align with the specific needs and desires of the customer. Our goal is to create furniture that is not only functional but also integrates seamlessly into the broader concept, interior, or environment in which they are placed.

At Flexfurn, we understand that customer needs are diverse, and a one-size-fits-all approach may not always suffice. Hence, we eagerly initiate a dialogue to gain profound insights into the unique requirements of each customer. Whether it's specific dimensions, materials, colours, or other details, we are here to ensure that our furniture not only meets but exceeds the customer's expectations.

What sets Flexfurn apart is our ongoing commitment to flexibility in furniture solutions. Our tailor-made products adhere to our principles of stackability, foldability, and multifunctionality. Whether it's space efficiency, ease of transport, or quick assembly and disassembly, our furniture is designed with flexibility at every level.

By focusing on stackability, our furniture remains not only space-efficient but also offers the convenience of quick and easy storage when needed. Foldability adds an extra dimension of versatility, allowing our furniture to adapt to changing needs and space configurations. Moreover, we strive for multifunctionality, ensuring that our furniture can serve more than just one purpose, expanding the possibilities.

At Flexfurn, we also understand the practical aspects of furniture usage are crucial. Therefore, we ensure that our tailor-made solutions are not only flexible in design but also easy to handle in terms of assembly, disassembly, and transportation. This means that our furniture can be effortlessly adjusted to changing needs and locations, making them a sustainable and cost-effective investment.

In summary, at Flexfurn, we go beyond merely supplying furniture. We aim for partnerships with our customers, collaborating to create unique and flexible furniture solutions that meet and exceed our customers' expectations. Our dedication to customisation, combined with our pursuit of flexibility, makes Flexfurn the ideal partner for those seeking furniture that not only aligns with their needs but also their vision.

for a fantastic year with **FLEXFURN!**

We greatly appreciate your trust.
Together, we have achieved successes,
and we look forward
to continuing this growth.
